**KAZMORTRANSFLOT**  
NATIONAL MARITIME SHIPPING COMPANY

## THE QUALITY, SAFETY AND ENVIRONMENT PROTECTION POLICY OF “NMSC “KAZMORTRANSFLOT” LLP

The success of the Company's activity completely depends and based on the knowledge and professionalism of our shore-based and shipboard personnel.

Every person should realize deeply the responsibility and the importance in activity of our Company, like understanding of that well-being of the Company, high quality of transportation and consequently personal well-being of everyone depend on constant commitment to achieving the following **objectives**:

- ✓ Safety of navigation;
- ✓ Labour safety and human life at sea;
- ✓ Pollution prevention and environment protection;
- ✓ Safety of a vessel and cargo.

For achieving these objectives the company:

- ✓ Establish safeguards against all identified risks;
- ✓ Assesses all identification risks to its ships, personnel and the environment and establish appropriate safeguards;
- ✓ Performs technical maintenance of ship ships equipment;
- ✓ Continuously improves safety management skills of personnel ashore and aboard ships, including preparing for emergencies related both to safety and environmental protection;
- ✓ Complies with RoK legal requirements and International conventions, ratified by RoK;
- ✓ Continuously improve quality, safety and environmental management system.

Duty of each person is the understanding and performance of the present policy statement and execution of the official job instructions.

**General Director  
(Chairman of the Board)**

**A. Orzhanov**
